Green Line Extension Project DBE Outreach Forum

The Green Line Extension is a major MBTA project that will provide new transit service to Union Square in Somerville and to College Avenue in Medford. The project includes the relocation of the existing commuter rail tracks, 4.3 miles of new Green Line track and systems, 1 relocated station and 6 new stations, a new vehicle maintenance facility and other improvements. The project also includes the procurement of 24 new transit vehicles. The total program budget is \$2.29 billion.

This MBTA event will be a great opportunity for Disadvantaged Business Enterprises (DBEs) to meet the short-listed proposers of the GLX project:

- GLX Constructors
- Green Line Partners
- Walsh Barletta Granite, JV
